

EFFECT4Buildings Event 15-16 May 2018 in Copenhagen

Dear Public Building Managers,

Gate 21 is hosting an event within the project *EFFECT4Buildings* May 15-16 2018 and invites you to join the event.

The project aims at developing financial tools and instruments that can help improve the profitability and financing of energy investment and lower the risks of implementing energy efficiency measures in buildings owned by public stakeholders.

We invite you to take part of the development of the tools and instruments and offer you the chance to get to know more about energy renovation of public buildings in Denmark.

The program for public building managers starts:

Time: May 15 at 11.30 am

Place: Gate 21, Linjens Kvarter 2, 2620 Albertslund

**If you would like to attend the event, but are unable to take part from the very beginning please let Gate 21 know.*
